

## 2023 RISK PREVENTION SERIES

The Inspirien Risk team is excited about 2023 as we continue our efforts in offering our customers the tools needed to build a comprehensive Risk Prevention Strategy. This year's series is built around **Six Risk Focus Areas** that impact all healthcare facilities, regardless of size or location. The goal is to focus on one of the six key focus areas for two months. Information will be offered in multiple mediums, including education webinars, emails with links to best practice and resource information, and in-person or phone consultations. These engagement opportunities are designed to educate on the risk impacts and offer practical tools for helping our customers create actionable plans to improve their exposure.

### This bi-monthly Risk Focus Area is **Effective Handoff Communication**

In a world driven by technology-enabled everything, missing key communication elements can sometimes be easy. That's why ***Effective Handoff Communication*** processes are important to consider. In a hospital setting, patients will likely require care from multiple staff members. With clinicians often required to do more with less, it's important they are familiar with clear handoff procedures. Something as simple as knowing how to write an old-fashioned nurse's note helps provide effective communication between healthcare providers. These skills can protect providers and facilities by bridging technological gaps to keep patients safe and hospital operations running smoothly.

Join us as we explore different aspects of a patient's transition and share the latest best-in-class tools and resources for mitigating handoff-related risk.

<b>DATE</b>	<b>WEBINAR ID &amp; Contact hours</b>	<b>REGISTRATION LINK</b>
<b>September 13</b> <b>10 AM and 2 PM</b>	<b>EMTALA Compliance 2023</b> W022-C CE contact hours– 2.0	<a href="https://attendee.gotowebinar.com/rt/8348447087570571609">https://attendee.gotowebinar.com/rt/8348447087570571609</a>
<b>October 19</b> <b>10 AM and 2 PM</b>	<b>Safety Culture Principles</b> 055-E CE contact hours– 1.8	<a href="https://attendee.gotowebinar.com/rt/7387055011028554077">https://attendee.gotowebinar.com/rt/7387055011028554077</a>

Please forward these registration links to others in your organization, and they may register individually for our webinars. We have also set up our webinar process where you, as a facility representative, can register for the webinar and show the webinar to multiple participants in a classroom-type setting. If you choose this setting, we will send out webinar information before each webinar to provide instructions on documenting attendance so each participant will receive credit for the course. You can register multiple times to give your staff several opportunities to participate.

CE Credit will be offered for nurses [ABNP064 – exp. 06/01/2027]

Inspirien Holding Corporation is an approved provider of continuing education by the Alabama Board of Nursing.

CE credit is available only for those who attend the webinars as live events. If you have any questions about this process, please contact Debbie Franklin at [dfranklin@inspirien.net](mailto:dfranklin@inspirien.net) or your dedicated Risk Consultant.
